

# 7 KEY SECURITY FEATURES OF SHARP® COPIERS

Based on the BP Line of Copiers

**Real-time Intrusion Detection** detects abnormal connection requests and denies access

**BIOS Integrity Check at Startup** helps protect system files from malware attacks

**Automatic Firmware Updates** upgrades your device as soon as new firmware is available

**Application Allowlisting** prevents unauthorized applications and firmware from being loaded

**Firmware Attack Prevention** checks for abnormal firmware and can restore from backup

**Bitdefender Antivirus** provides comprehensive protection from malware attacks

**End-of-Lease Data Erase** can protect privacy by deleting all data and personal information at trade-in time

Sharp multifunction printers offer the very best in productivity, workflow and security. Contact us to learn more.

**SHARP**®

Be Original.
