### **Sharp Electronics of Canada Ltd. Celebrates Third Consecutive Platinum Award from OECM's Supplier Recognition Program**

Mississauga, ON – May 22, 2024 – [Sharp Electronics of Canada Ltd.](#) is proud to announce that it has been honoured with the prestigious **Platinum Award** in the [OECM's Supplier Recognition Program \(SRP\)](#) for the third consecutive year for the marketplace category of [Office and Production Multi-Function Devices and Related Services \(MFD\)](#). This esteemed accolade underscores Sharp Electronics of Canada Ltd.'s unwavering commitment to excellence, innovation, and outstanding service in providing quality products to broader public sector customers.

"We are deeply honoured to receive the Platinum Award for the third year in a row," said **Kevin Lee, Associate Vice President** of Sharp Electronics of Canada Ltd. "This recognition reflects **our dedication to delivering high-quality products and exceptional service** to our customers. We are committed to continuous improvement and innovation, and this award is a **testament to the hard work and dedication** of our entire team."

OECM's Supplier Recognition Program aims to drive long-term performance improvements by recognizing and motivating Supplier Partners to deliver continued savings, value, choice, and service to their customers. It evaluates suppliers based on five key criteria: spending/savings, customer excellence, business growth, strategic alignment, and compliance. These criteria ensure a fair and transparent assessment of supplier performance, recognizing those who deliver exceptional value and align with OECM's strategic goals.
