

PAPER VS. DIGITAL

It seems as though one cannot escape a BYOD workplace or the abundance of enterprise adopted applications. Every aspect of business has been impacted by this transition, but the question still remains: which medium is better, print or digital? You decide.

Paper Benefits

Easily locate files

Enablement for thorough editing

Paper cannot be edited by a third party

No ability to be hacked

Digital Benefits

53%

Easier to send than paper

47%

More efficient than paper

50%

More environmentally-conscious

\$

Half the cost of paper

Source: Adobe®, Paper: An Endangered Species

Whether one prefers print or digital, both options provide a variety of benefits for the everyday workplace!
