

How To Self Associate Your RFID or Mobile Device

If using a mobile device please install the free Mobile Badge BLE NFC app found in the Google Play or Apple app store.

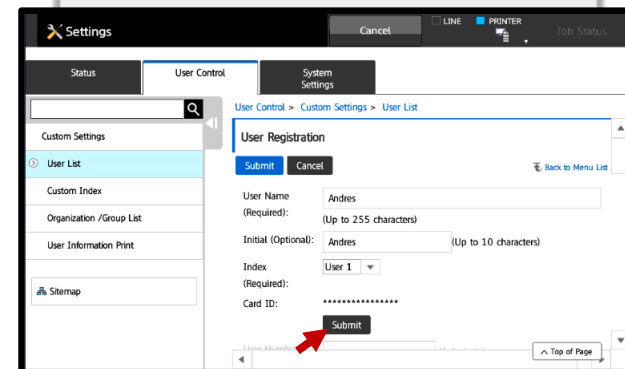

Step 1

Log into the Sharp machine using the 5-8 digit code. Select [Settings] then select [User Control] then [User Settings].

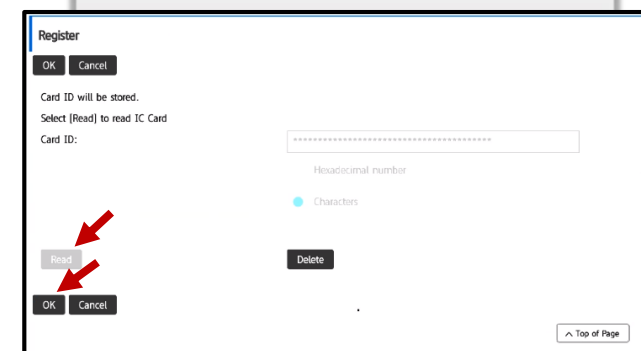

Step 2

Select the user name highlighted in blue. Under [Card ID] select [Submit]. If using a mobile device please open the app.

Step 3

Approach the reader with the RFID or mobile device. Once the machine beeps select [Read]. Select [Ok].

Step 4

The select [Submit]. We recommend to logout and log back in with the card or mobile device.
