SIMPLY BETTER ENTERTAINING.

Experience the best quality and clarity in the comfort of your own home with the Sharp Roku TV 43" Class (107.95 cm diag.) 4K Ultra HD. A versatile TV for the modern home entertainment experience, you can easily switch between live programming, streaming channels, and gaming consoles with four HDMI inputs and built-in apps.

Roku OS

Roku is recognized for innovation in reproduction. Developing a playback platform that provides the best user experience due to its selection of content, easy use and value.

Simple home screen

Quickly access your cable box, satellite, HDTV antenna, and favourite streaming channels - all from your home screen.

Stream what you love

Enjoy free TV, live news, sports, movies, and more.

Search across top streaming channels

Search by title, actor, or genre to see where it's streaming for free or at the lowest cost.

Always up to date

Get the newest channels and the latest features without even thinking about it.

Ultra HD Picture Quality

With Ultra HD resolution you can experience 4 times the clarity of any standard FHD TV.

Wireless Streaming

Enjoy your favourite streaming content without the need of any additional device.

HDR Technology

With High-dynamic-range technology experience a greater range of luminosity, contrast and colour and enjoy image sharpness at the highest level.

Dolby Audio

The foundation of Dolby Audio is a set of technologies that use advanced audio formatting and signal processing to deliver the best quality sound experience.
