The Sharp SMD2489ESC is the first, built-in Microwave Drawer with wifi connectivity for seamless integration with your modern, smart home. Download the Sharp Kitchen app to enable the smart features.

The SMD2489ESC Sharp Microwave Drawer features Built-In Airflow venting. Now you can choose the traditional "proud mount" installation or flush mounting for a streamlined finish without additional trim-kits or vent deflectors.

With our Easy Wave Open feature for touchless operation, simply wave up-and-down near the motion sensor and the Microwave Drawer will glide open. With the touch of a button or a gentle nudge, our patented Easy Touch Automatic Drawer System smoothly closes the oven to avoid messy spills. The SMD2489ESC Sharp Microwave Drawer stays closed when you walk by, so children and pets won't accidentally open it.

The concealed, glass, Touch Control panel is easy-to-see and operate at a convenient 45° angle, keeping all of the controls at your fingertips when you need them, and completely out of sight when you don't. The modern, edge-to-edge, black glass and stainless steel design with bright, LED interior lighting and stylish floor pattern compliments your kitchen and pairs beautifully with other stainless steel appliances.

SHARP KITCHEN MOBILE APPLICATION keeps you in control.
